Tips and variations

- Substitute other fruits such as apples for bananas to explore new flavors.
- Do not save the leftover batter. Instead, make it into pancakes and freeze the extra pancakes.
- Do not give honey to infants less than 1 year of age.
- If you are running short on time, swap in a “complete” pancake mix. Follow the recipe on the package and add the oats and bananas as listed on this recipe. Add additional water or milk if the batter is too thick.
